

Tucson Orchid Society

Visitors and new members are always welcome.

We meet the third Wednesday of each month (except November and December) at 7:00 P.M. at the Tucson Gem and Mineral Society building, 3727 E. Blacklidge Rd., Tucson, AZ

Visit us at www.orchidsocietytucson.org or [https://www.facebook.com Tucson Orchid Society Group](https://www.facebook.com/TucsonOrchidSocietyGroup)

Why join?

Here are some of the many perks of being a member that include, but are not limited to:

- Open greenhouse tours throughout the year by local growers.
- US and international speakers and vendors who are orchid experts speak on orchid growing and culture, and often discount orchids they bring for sale.
- Local growers give advice and occasional talks. Growing here in the desert is different so learn from people growing here!
- Our fun and energetic auction every November, and a holiday potluck in December.
- Our annual show and sale every March.

Some of our local growers share their growing tips and expertise in the lazy months of summer, and teach us the basics of repotting, dividing orchids, growing indoors versus outdoors, etc. If you think about it, you can't get 3 cups of fancy coffee for under \$20. Come join us, get in on the fun, and sharpen your orchid expertise at TOS.

Yes, I would like to join the Tucson Orchid Society!

Yearly membership dues are \$20.00 for individuals and families. Please bring cash or a check (payable to Tucson Orchid Society) and this form to the next meeting or send it to the PO Box below.
